**ABOUT THE LOGIS:** Founded in 1949 in the Auvergne region, the Fédération Internationale des Logis is Europe’s leading voluntary chain, with 2,800 properties in France, Germany, Andorra, Belgium, Spain, the Grand Duchy of Luxembourg, Italy and the Netherlands. From one stopover to the next, every Logis is different yet they all share the same spirit, particularly appreciated by customers seeking fun, well-being and discoveries.

The Logis provide a guarantee of quality and a level of comfort measured through a classification into “fireplaces” (1 to 3 fireplaces) and a “Logis d’Exception” category for accommodation, as well as a dining classification into “pots” (1 to 3 pots) and into “Table Distinguée” (acknowledged by and listed within the year in a leading gastronomy guide).

The founding pillars of the Logis strategy are: Customised hospitality and advice on what to visit and what to do, quality accommodation within an authentic setting, and regionally-inspired dining favouring natural, local products.
